TASKFORCE 2000

TASKFORCE® 2000 WET/DRY VACUUM

A tough, go-anywhere wet/dry vacuum, with an arsenal of tools and attachments

Tornado's Taskforce 2000 is one of the toughest, most versatile, and most affordable tank vacs on the market. An 11-gallon T-Lite® tank is mounted on four easy transport wheels, and the unit is powered by a 1.23 HP vac motor. The unit effectively handles general dry debris in commercial environments, as well as liquids such as water, scrubbing solutions, and stripping solutions. The Taskforce 2000 has a cfm of 78 at its 1.5" orifice and a static waterlift of 84".

The unit is perfect not only for general maintenance and cleaning, but also for use with floor machines and other mopping and scrubbing operations as well. Filters are easily replaced, and the vac head has a lift-grip carrying handle for ease of transport up steps. The unit fits easily in any maintenance or broom closet, as well as in a car trunk.

The Taskforce 2000 comes complete with a 1.5" attachment and accessory set, including hose, wands, carpet tool, squeegee tool, crevice tool, dusting tool, and more.

TASKFORCE 2000

Ready-to-use

The Taskforce 2000 comes with a complete hose and attachment set. The tools and accessories can be used for a variety of applications and debris types.

The Taskforce 2000 is suited for these and other applications:

- Kitchen and restroom clean-up
- Light industrial use
- Recovery of scrubbing or stripping solutions
- General commercial debris recovery
- Automotive and commercial fleet cleaning
